HZ007 USER MANUAL

Hygger zoo Reptile Water And Food Dishes

1. PRODUCT INTRODUCTION

Thank you for choosing the Hygger zoo reptile water and food dishes! The water and food dishes were developed for reptiles and provided water and food for lizards, tortoises, snakes, and other reptiles!

2. PRODUCT SPECIFICATIONS

Material: Food grade resin

Coating: Epoxy resin (Food grade)

Size of the round food dish: Outer diameter (3.35 inches), inner diameter (2.56 inches), height (0.79 inches), depth (0.59 inches)

Size of the irregular water dish: Outer diameter (4.53 inches), inner diameter (3.74 inches), height (0.91 inches), depth (0.59 inches)

3. PRODUCT FEATURES

- The simulated appearance of the rock mimics the natural ecological environment.
- The smooth interiors of the dishes allow for easy cleaning and prevent the growth of bacteria.
- High-quality resin ensures long service life and maximum stability.

4. INSTRUCTIONS

1. Cleaning: Before using the dishes for the first time, wash them with lukewarm water and a neutral detergent and dry them thoroughly after washing.

2. Purposes of the dishes: The round dish is for the food, and the irregular dish is for the water.

3. Placement of the dishes: Place the food dish where it is easily accessible to the reptile and the water dish in a corner to save space. Keep the water and food dishes as far away from the heater as possible to prevent water evaporation and food spoilage.

5. CLEANING AND MAINTENANCE

Cleaning frequency: To ensure that the water is clean and sanitary, it is recommended that the water in the water dish be changed daily or every two days. It is recommended that the water and food dishes be thoroughly cleaned once a week.

Cleaning method: Gently clean the dishes with warm water and a soft bristle brush. (Water temperature does not exceed 50°C/122°F)

Storage: When not in use, store the dishes in a dry, clean environment and protect it from direct sunlight and extreme high or low temperatures.

6. ATTENTIONS

1. It is normal for the product to have a slight coating smell upon receipt; the smell will automatically disappear after a certain period of use.

2. Avoid using hot water, chlorine-based cleaners, or other strong chemical cleaners to prevent dish damage and harmful substances to reptiles.

7. DISPOSAL

Do not dispose of this product as unsorted municipal waste. Collection of such waste separately for special treatment is necessary. This product has to be disposed of at an authorized place for the recycling of electrical and electronic appliances rather than being disposed of together with the domestic waste. Collecting and recycling waste is a way of saving natural resources. So, please consult with your local seller to make sure the product is disposed of in an environmentally friendly way.

8. ONE YEAR LIMITED WARRANTY

For this product, Hygger zoo offers one-year guarantee for free. If you discover a defect, please contact Hygger zoo, who will, at its option, repair or replace the product at no charge, provided that you return it during the warranty period.

A copy of the bill of sale is required as proof of the original purchase date if the product needs repairs within the warranty period. Hygger zoo One-year Limited Warranty does not cover damage caused by the following:

1. Artificial damage
2. Improper use or maintenance
3. Modifications or repairs without the written permission of Hygger zoo

If you have any other questions regarding warranty service or product use, please contact us at service@hyggerzoo.com upon presentation of proof of purchase and product information, and we will solve the problem for you as quickly as possible.

We reserve the right of final interpretation regarding the warranty coverage of this product.
